

MARCH 4, WEDNESDAY 2026

KG Expo

The KG Expo at Michael Job Matriculation Higher Secondary School was a joyful event where our Kindergarten students shared their learning with their parents. The programme was filled with fun activities, laughter, and meaningful moments that showed the lively and engaging learning environment provided for our young learners. One of the main attractions was the Parents' Fun Game, where parents happily took part in activities with their children. It created a warm and joyful atmosphere and showed how learning becomes more meaningful when parents and teachers support children together. Another exciting activity was the Students' Eye Finding Game, where the KG students showed their observation skills, focus, and confidence. The event also highlighted the school's focus on activity-based learning, where children learn through hands-on experiences. At Michael Job Matriculation Higher Secondary School, we aim to build a strong academic foundation while encouraging creativity, curiosity, and confidence from an early age. The school also provides a safe and secure campus where every child can learn comfortably and happily. The KG Expo clearly showed how students are encouraged to explore, participate, and grow with confidence. Overall, the event was a memorable celebration of joyful learning and the achievements of our little learners.

February 20, 2026 Friday

FICCI FLO Coimbatore, organized a Sanitary Napkin Distribution and Menstrual Hygiene Awareness Program

Our school, in collaboration with FICCI FLO Coimbatore, organized a Sanitary Napkin Distribution and Menstrual Hygiene Awareness Program on our campus as part of our commitment to promoting health awareness and student well-being. We were honored to welcome Dr. Aparna Sunku, Chairperson of FICCI FLO Coimbatore, along with Dr. Krithika from KMCH Hospital, who conducted an informative session on menstrual hygiene and the importance of maintaining good health during adolescence. The session provided valuable insights and encouraged students to openly understand and discuss menstrual health with confidence. As part of the initiative, sanitary napkins were distributed to students to promote accessibility, dignity, and hygiene awareness. Dr. Aparna Sunku also delivered an inspiring motivational talk, encouraging students to believe in their abilities and highlighting the importance of supporting young women entrepreneurs and building confidence to pursue their dreams. The program served as a meaningful step towards empowering young minds and fostering awareness, dignity, and confidence among our students.

February 20,2026 Friday

Understanding Feelings and Emotions

As part of our Youth Support Program, students are encouraged to explore and understand their feelings and emotions in a healthy and positive way. The program helps them recognize that every

emotion has a voice and that learning to listen to and manage these emotions is an important step toward personal growth. Through guided discussions and activities, students develop greater self-awareness, learn to respect the feelings of others, and build empathy and emotional resilience. This journey of understanding emotions not only supports mental wellbeing but also helps create a positive, supportive environment where students feel valued and confident. When young people understand their emotions, they are better equipped to express themselves, build meaningful relationships, and unlock their true potential.

January 2026 ,10 saturday

Pongal Day was celebrated with great joy and enthusiasm in our school. The school campus was beautifully decorated with colorful rangoli, sugarcane, and traditional decorations. Students and teachers wore traditional attire and participated actively in the celebration. The program began with a prayer, followed by speeches explaining the importance of Pongal and Tamil culture. Students performed folk dances, songs, and the spirit

of the harvest festival. Sweet Pongal was prepared and shared among everyone. The celebration helped students understand our traditions and promoted unity and cultural values.

December 22

Christmas Day was celebrated with joy and enthusiasm in our school. The campus was beautifully decorated with stars, bells, and a Christmas tree. The programme began with a prayer and a short message highlighting the importance of love, sharing, and kindness.

Students presented carols, dances, and a skit depicting the birth of Jesus Christ. The arrival of Santa Claus brought cheer and excitement among the children. Sweets and gifts were distributed, spreading happiness and festive spirit.

The celebration concluded with a vote of thanks. The day was memorable and filled with joy, peace, and goodwill.

December 6

Mjc campus craft mart & Mjc campus crescendo

MJC Campus Craft Mart and MJC Campus Crescendo were organized with great enthusiasm and creativity on our campus. The Craft Mart showcased handmade items such as art works, decorative crafts, models, and eco-friendly products prepared by students. It encouraged creativity, entrepreneurship, and teamwork among students.

MJC Campus Crescendo added colour and excitement to the event with a variety of cultural performances including music, dance, performances. Students displayed their talents with confidence and energy, creating a lively and joyful atmosphere.

Both events provided a wonderful platform for students to explore their skills beyond academics. The programmes were well appreciated by teachers, students, and visitors, making the day memorable and inspiring.

December 5

Health awareness program

A Health Awareness Program was conducted in our school to educate students about the importance of good health and hygiene. The programme focused on topics such as balanced diet, personal cleanliness, regular exercise, and mental well-being.

The resource person explained healthy habits through an interactive session, demonstrations, and real-life examples. Students actively participated by asking questions and sharing their views. The session helped students understand the importance of maintaining a healthy lifestyle from an early age.

The programme concluded with a vote of thanks. It was informative and beneficial, encouraging students to lead a healthy and disciplined life.

November 14

Children's day celebration

Children's Day was celebrated with great joy and enthusiasm in our school. As part of the celebration, a Fancy Dress Competition was organized for students. Children came dressed as fruit, vegetables.

The colourful costumes and creative presentations impressed everyone. Judges appreciated the children's confidence, creativity, and performance.

November 7

Eye,Dental camp

An Eye and Dental Camp was successfully conducted in our school to promote health awareness among students. Qualified doctors examined the students' eye vision and dental health and provided necessary guidance and advice. The camp helped in early identification of vision and dental issues and educated students about maintaining proper eye and oral hygiene. The initiative was well organized and beneficial for both students and staff.

November 1

Halloween Day

Halloween Day was celebrated with great enthusiasm in our school. Students came dressed in creative and colorful Halloween costumes, adding fun and excitement to the celebration. Various activities such as fancy dress, games, and storytelling were organized to engage the students. The campus was decorated with Halloween-themed items, creating a joyful atmosphere. The celebration encouraged creativity, confidence, and active participation among students.

SEP-5 TEACHER'S DAY

Teachers' Day is celebrated every year on September 5 to honor the birth anniversary of Dr. Sarvepalli Radhakrishnan, the second President of India and a great teacher. On this day, students show their love and respect for teachers.

In our school, the celebration was full of joy. Students presented songs. Teachers also took part in fun games like balloon busting, eating buns, fun icebreaker games and playing peekaboo. These activities made everyone laugh and enjoy the day.

Students gifted flowers, cards, and small presents to their teachers. The celebration reminded us of the importance of teachers in shaping our lives. It was a memorable day filled with respect, fun, and happiness.

Environment Day June 5 2025

Theme: Beat plastic pollution

- World Environment Day is celebrated every year on June 5th to raise awareness about environmental protection and encourage actions that help preserve our planet. In our school, this day is marked with various engaging and educational activities that involve students of all classes. Competitions such as poster making, slogan writing, and essay contests are organized to help students express their thoughts on issues like pollution, climate change, and conservation. Clean-up drives, recycling projects, and exhibitions showcasing items made from waste materials further involve students in hands-on learning. Our school also conducts speech and eco-friendly messages to spread awareness in the school assembly. Through these activities, students learn the importance of environmental responsibility and develop a deeper connection with nature.

International Yoga Day June 21 2025

International Yoga Day is celebrated every year on June 21st to raise awareness about the importance of yoga in promoting physical and mental well-being. The celebration usually begins with a special morning assembly, where the significance of Yoga Day is explained through speeches and quotes. A common yoga session is conducted in our auditorium where students, teachers, and staff perform different yoga asanas under the guidance of trained instructors. Activities like group meditation, breathing exercises (pranayama), and yoga demonstrations are held to encourage mindfulness and inner peace. These activities not only help students stay fit and calm but also encourage them to adopt yoga as a regular practice in their daily lives.

Fathers day: June 15th.

Father's Day is a special occasion filled with love, laughter, and precious memories. Children enjoy this day by spending quality time with their father, showering him with handmade cards, warm hugs, and heartfelt words. Encouraging the students to celebrate fathers day in our school we conducted drawings, colouring, poem and essay writing competitions. Students participated and enjoyed themselves. These celebrations help strengthen the bond between children and their fathers and teach students to value the role of parents in their lives. Father's Day in school is a beautiful reminder of the love and guidance fathers provide throughout a child's life.

Blue day: June 27 2025

Blue Day is a fun and colorful celebration where students come dressed in blue clothes and bring blue-colored objects from home. The classroom is decorated with blue balloons, ribbons, and toys, making everything look bright and cheerful. Students doing blue-themed crafts, and learning about things that are blue in nature like the sky and the ocean. They love participating in games and activities related to the color blue. It's a joyful and exciting day that helps children learn about colors in a fun and playful way.

Chocolate day: July 7,

Chocolate Day is a delightful and exciting celebration for students. On this day, children bring different types of chocolates to school and share them with their friends and teachers. The classrooms are filled with joy, laughter, and the sweet smell of chocolates. Students enjoy activities like drawing chocolate-themed pictures, and playing fun games. On this special day, students come dressed in creative and colorful costumes inspired by chocolates, desserts, candies, or even chocolate brands. Some dress up as chocolate bars, cupcakes, while others take on imaginative roles like “Chocolate Fairy.” Teachers appreciate the creativity, confidence, and presentation of each participant. Along with the fashion show, This event not only brings joy and sweetness to the day but also encourages students to express themselves creatively and overcome stage fear in a cheerful atmosphere.

Culinary activity: July 5

Culinary activities are fun and creative experiences where students learn to cook simple and healthy dishes. They enjoy working together in groups, mixing ingredients, and trying out new

recipes. These activities help students understand the importance of good food, hygiene, and teamwork. They also get excited to decorate their dishes and share them with friends. Culinary activities not only make learning enjoyable but also help students become more independent and confident in the kitchen.

LEND A HAND INDIA (Skills on wheels) July 8 -12

LEND A HAND INDIA - Hands on Workshop session for students and teachers. It is a skill education for students grade VI- IX with focus on joyful and creative learning. It is an one week training session in our mjc campus. the inauguration and teachers training session was in the MJCOE. Skills on Wheels is a pioneering innovation of lend hand india. It is a fun and educational program where students get a chance to explore different skills through science learning units. These moving buses are filled with hands-on learning tools and activities related to welding, plumbing, electrical wiring, food processing, agricultural methods and basic health care. Students enjoy visiting these classroom. trying out new skills, and learning in a fun, practical way. It makes learning exciting and helps them discover their hidden talents while building confidence and creativity.

Concept assembly : July 9

Students performing a skit “Growing through challenges” they face during preparation and practice. They work together as a team, delivered their concept through action. and overcome

stage fear. Sometimes they make mistakes or forget lines, but they learn to handle such situations with confidence and support from their friends. These challenges help them become more responsible, improve their communication skills, and build self-confidence. Performing a skit is not just about acting—it's a journey of growth, teamwork, and learning through experience.

KG kids Activity:

The balloon passing activity was a fun and engaging experience for the students. They formed a circle and passed the balloon to each other using different creative methods—like using only elbows or balancing it without hands. This activity encouraged teamwork, coordination, and laughter among the children. It helped improve their focus, motor skills, and cooperative spirit while creating a joyful learning environment. The students thoroughly enjoyed the game and participated with great enthusiasm.

Balloon passing activity (Coordination Activity)

Red day activity: July 28

Red Day was celebrated with great excitement and joy by the children. All the kids came dressed in beautiful red outfits, filling the classroom with vibrant shades of red. Various fun activities like coloring red objects, sorting red items, and making red crafts were conducted. Children also enjoyed singing rhymes and identifying red fruits and toys. The red based photo frame is made by teachers and students happily took photos in the frame. The celebration helped them recognize the color red in a fun and interactive way. It was a cheerful and memorable day for all the little ones.

Kamarajar birthday celebration: July 15 2025

Kamarajar's birthday was celebrated with great respect and enthusiasm by our students. They participated in various activities such as speech competitions, essay writing, drawing, and role

play to honor the life and contributions of the great leader. Students spoke about his simplicity, honesty, and efforts in improving education in Tamil Nadu. A special assembly was held where children sang patriotic songs and paid tribute to Kamarajar. The celebration inspired students to follow his values and understand the importance of education and leadership.

To celebrate Kamarajar's birthday, a special dress-up activity was organized for the kids. The Children dressed up as famous leaders like Mahatma Gandhi, Kamarajar, Dr. A.P.J. Abdul Kalam, Jawaharlal Nehru, and others. Each student confidently walked the stage and spoke a few lines about the leader they represented. The activity helped children learn about the values, achievements, and sacrifices of these great personalities. It boosted their confidence, encouraged public speaking, and created a deep sense of respect for our nation's heroes.

Investiture Ceremony July 21

The Investiture Ceremony is a formal occasion where newly elected or selected student leaders are officially entrusted with their responsibilities. It marks the beginning of a leadership journey for students who are expected to serve as role models for their peers.

The ceremony typically begins with a welcome speech, followed by a formal march-past by the student council members. The highlight of the event is the badging ceremony, where school leaders receive their badges and sashes.

It builds leadership skills and responsibility in students, promotes teamwork and cooperation, encourages discipline and positive behavior, Recognizes students' abilities and contributions.

Tri-Colour Day AUG 14

Our school celebrated **Tri-Colour Day** with great joy and patriotism. The KG KIDS was decorated with the colours of our national flag – saffron, white, and green. The programme began with the hoisting of the national flag followed by the singing of the national anthem.

Students performed highlighting the importance of the three colours of the flag – courage and sacrifice (saffron), peace and truth (white), and prosperity (green). Teachers encouraged us to respect our national flag and be proud citizens of India. The celebration filled everyone's heart with love for our country and reminded us of our duty towards the nation.

Aug 15 th

INDEPENDENCE DAY

Our school celebrated **Independence Day** with great pride and patriotism. The day began with the hoisting of the national flag by our principal and management people followed by the singing of the national anthem. Students presented colourful cultural programmes including patriotic songs, dances, and speeches about freedom fighters.

The whole school was decorated with saffron, white, and green, showing our love for the nation. Our teachers inspired us to be responsible citizens and work for the progress of our country. The celebration ended with sweets being distributed to everyone. It was a memorable day that filled our hearts with respect for our motherland.

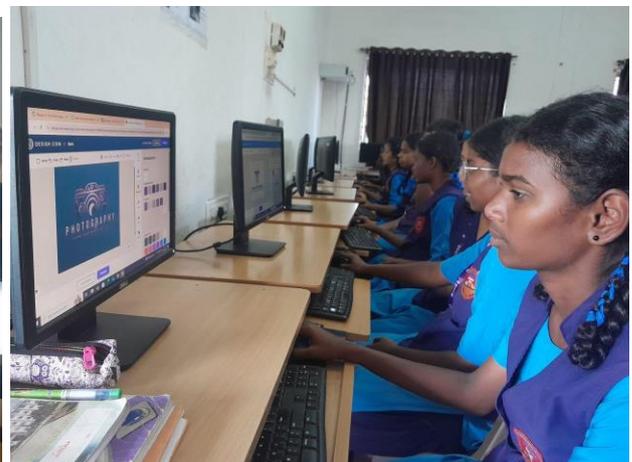

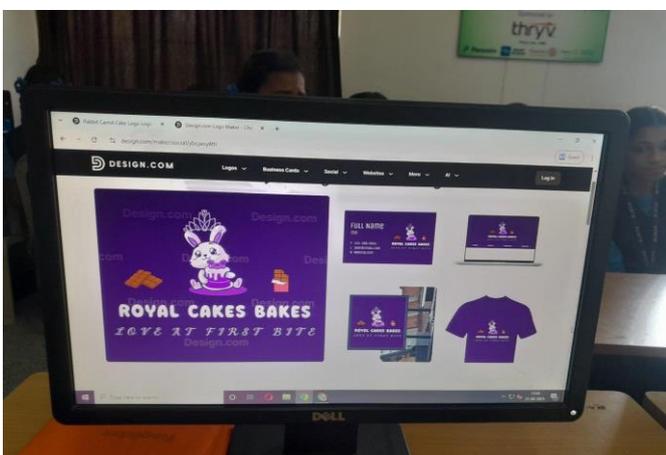

AUG 21

Entrepreneurship Day

Our school celebrated **Entrepreneurship Day** with great enthusiasm. The aim of the programme was to encourage creativity, innovation, and leadership among students. The day began with a special assembly where our students explained the importance of entrepreneurs in building the nation's economy.

Students displayed their innovative ideas and small business models through charts, presentations, Logo design, and stalls. Some students presented role plays. Teachers motivated them to think creatively and develop problem-solving skills.

The celebration helped us understand that entrepreneurship is not only about business but also about finding solutions and creating opportunities. It was a day full of learning and inspiration for all of us.

AUG 8

QUIT INDIA MOVEMENT DAY

Our school observed **Quit India Movement Day** to remember the historic struggle for India's freedom. The Quit India Movement was launched by Mahatma Gandhi on **8th August 1942** with the slogan "*Do or Die*". It marked a powerful call for the British to leave India.

On this day, teachers and students spoke about the importance of the movement and the sacrifices made by our freedom fighters. speeches, and patriotic songs were presented to remind us of the courage and unity shown by Indians during the freedom struggle.

The programme inspired us to respect our history and follow the values of truth, unity, and courage. It was a day of pride and remembrance for all of us.

SEP 2 Coconut Day

Our KG section celebrated World Coconut Day with great joy. The classrooms were decorated with coconuts, leaves, and pictures of coconut trees. Teachers explained to the little ones the importance of the coconut tree, which is called the "tree of life."

Children learned how coconuts are useful for food, oil, water, and many other things. Fun activities like coconut shell painting, rhyme recitation, and action songs were conducted. Kids also enjoyed tasting coconut sweets.

The celebration helped our tiny tots understand the value of nature and healthy food in a fun and playful way. It was a memorable and joyful day for all the children.

SEP - 3 Sports Day Celebration

Our school celebrated Sports Day with great excitement and joy. The ground was beautifully decorated with flags and balloons. The program started with the march past and lighting of the torch. Students took part in various events like running race, long jump, high jump, relay race, and ball games.

The special attraction was the parents' events. They participated in fast walking and slow walking races, which made the celebration more fun and enjoyable. Teachers also joined in some friendly ,fun games which made everyone happy.

Winners were awarded medals and certificates. The spirit of teamwork, discipline, and sportsmanship was seen everywhere. It was a day filled with energy, cheer, and enthusiasm. Sports Day reminded us that games and exercise are very important for health and success in life.
